

Dear Fundraising Coordinator:

Thank you for your interest in The Dunkin' Donuts fundraising program.

This program is easy for your organization to implement. Steps are:

1. Set up dates for your fundraising program and fill out the attached Application Form.
2. Distribute one or more order form(s) to each member of your organization participating in the fundraiser.
3. Your organization's cost for each dozen donuts or each pound of coffee will be \$6.00. Participating members of your organization will then sell each dozen donuts or each pound of coffee for \$9.00 and they should collect this amount for each pound of coffee and each dozen donuts they sell. Checks are made payable to your organization. The order form should be filled out with the purchaser's name, address and phone number.
4. Members should make a copy of the order form(s) to keep for themselves and give the other copy to you along with the money collected.
5. At the end of your fundraising program, gather up all order forms. Complete the Dunkin' Donuts Summary Sheet which is attached. Make a business check or money order payable to Dunkin' Donuts (no personal checks will be accepted) and bring to the location listed below, or use a credit card at this location.

****NOTE: Pounds of coffee can only be ordered by organizations in cases. Each case holds 24 one-pound bags of coffee and will have to be the same coffee flavor.**
